

DREW

Summer University Experience - Drew in the City

This 3-week program is designed for high school students looking to experience a highly interactive American university education while improving their English and exploring the best New York has to offer.

Description

The Summer University Experience offers international participants ages 15 - 18 the opportunity to tour the Drew University, INTO Drew and the surrounding New York and New Jersey area.

Participants will practice their English language skills while attending language workshops, educational field trips, conversation partner meetings, and recreational events as well as become familiar with university life and interact with students and faculty on Drew's campus.

You will enjoy full access to all university facilities, and experienced counselors will provide guidance and supervision at all times.

Trips and Activities

Learn about American culture and history as you take educational field trips around the area. Some examples of places you will visit:

- **New York City:** See historical landmarks, world-renowned architecture and a diverse set of cultural and culinary hot spots. Visit sites like Times Square, the Empire State Building, Rockefeller Center, the Metropolitan Museum of Art and much more.
- **Surrounding New Jersey area:** Visit the Woodbury Commons outlet mall, Shakespeare Theatre, Six Flags Great Escape and other local attractions.
- **Nearby historic Philadelphia:** Home to the Liberty Bell, Independence Hall (where the Declaration of Independence and US Constitution were signed) and many other sites important to American history.

"When I came to Drew I was really interested in doing scientific research.

Drew's RISE program and Summer Science Institute allowed me to get into a research lab with actual scientists. This hands-on approach will look great on my application to medical school."

Vanessa Bagambe, Uganda

Biochemistry and Molecular Biology, Class of 2018

Live and learn
47 minutes from NYC

3 weeks experiencing
university life

Opportunities to pursue
Drew's elite liberal arts
degree

DREW

Prepare for Adventure

Practice your English skills in a classroom setting while you enjoy the cultural and academic advantages of Drew University's beautiful tree-lined campus less than an hour from New York City.

Improve Your English Skills and Sample University Classes

Fun, interactive English workshops are designed to give you a chance to develop confidence using English. Interact with Americans during recreational events and conversation partnerships.

Engage in hands-on workshops covering marketing, the United Nations, robotics and more with Ivy League-educated PhD professors.

Program Structure

10 hours per week practicing the core skills of reading, writing, listening and speaking English.

6 hours per week advising and preparing you for academic life at a US university, including sample classes and workshops.

9 hours per week enjoying all Drew's campus, "The Forest", has to offer.

Shopping is available all over New York City and New Jersey. Enjoy two trips to popular outlet malls for inexpensive brand name shopping.

Spend the rest of your time exploring New Jersey and traveling to New York City and nearby Philadelphia.

Key Program Facts
