## Pathway programmes at your choice of UK or European university

International Foundation Year • International Year One • Pre-Masters

\*Delivered by Study Group London

†for progression to a range of universities in Holland

††Delivered at Leeds International Study Centre

# Immerse yourself in the university experience from day one by joining a degree preparation programme at an International Study Centre, with locations at leading universities throughout the UK, Ireland and Holland.

## The best start to your studies

Our International Study Centres offer academic and English language preparation programmes to help you pursue a respected degree at your chosen university.

## International Foundation Year

This nine month programme prepares you to enter your first year of an undergraduate degree. An ideal course of study if you are missing certain key academic and English language requirements for direct entry.

**Start September, January and April**

**Foundation Entry requirement:** from IGCSE, O Levels, SPM and range of other year 11 qualifications.

## International Year One

A nine or twelve month programme that prepares you to enter the second year of an undergraduate degree. Ideal if you have advanced academic qualifications but still do not quite meet either the academic or English language requirements for direct entry.

**Start September and January**

**International Year One entry requirement:** from A-levels, STPM, UEC, Malaysia Foundation and a range of other year 12 qualifications.

## Pre-Masters

A four or nine month programme of specialist preparation for Masters study. Suitable for you if you:

- Have completed a degree but require **additional English language training**
- Need to **enhance your academic background**
- Want to **refresh your knowledge** or **change your career path**

**Start September, January and April**

**Pre-Masters entry requirement:** From Bachelor Degree.

A wide range of subjects is available. You can go on to earn a degree in **business, accounting, management, computing, media, engineering, international relations, politics, creative arts, life sciences, fashion studies** and more.\*

**No UCAS application required**

\* providing you meet the grades required for progression.

## How do I apply for a scholarship?

**Submit:**

- Your completed application form and academic results
- A request to your consultant that you would like to be considered for a scholarship

**For more enquiries or to make an application, please contact:**

Your local overseas education representative

Study Group operates International Study Centres in partnership with more than 17 universities throughout the UK and Europe, as well as programmes across the USA, Canada, Australia and New Zealand. Each year, Study Group welcomes over 50,000 students from more than 130 countries in over 48 campuses across the world.
