- A campus-based programme with access to world-class university facilities.
- University-style teaching with high contact hours and small class sizes.
- Modern INTO laboratories to learn practical skills.
- Field trips to enhance your learning.
- Professional help and support with your application to university.

## WHAT WILL I STUDY?

### Core modules

- Biology
- Chemistry
- English for Academic Purposes
- Mathematics and Statistics
- Study Skills and ICT

## PHARMACY AT NEWCASTLE UNIVERSITY

Originally run by Durham University, you now have the opportunity to study Pharmacy in the world-renowned Faculty of Medical Sciences at Newcastle University.

This four-year degree focuses on equipping you with the professional skills, scientific knowledge and clinical experience to become a pharmacist. You will benefit from excellent facilities at the University, including newly refurbished pharmacy laboratories and specialist medicinal chemistry facilities.

## PROGRESSION TO NEWCASTLE UNIVERSITY

The following table provides information about which modules you need to study and what grades you need to be guaranteed a place on the Pharmacy undergraduate degree programme at Newcastle University.
