KMK Engineering Scholarship for Malaysian students

An opportunity for an international student from Malaysia who is experiencing financial hardship to pursue an engineering degree at The University of Western Australia.

Valued at A\$75,000 per annum the generous scholarship includes tuition fees, accommodation at University Hall, health cover, travel and living costs.

Join a University ranked in the world's top 100

Located in Perth, UWA is ranked in the top 100 universities worldwide by the Academic Ranking of World Universities and with our reputation for excellence, you can be assured of graduating with one of the most highly regarded degrees in Australia and internationally.

Direct Pathway to the Master of Professional Engineering

Through UWA's Engineering Direct Pathway you will gain the advanced knowledge and technical understanding to enable you to practise internationally as a professional engineer. You will complete five years of study, consisting of a three year Bachelor's degree with

an Engineering Science major, followed by a two-year Master of Professional Engineering.

The Master's program allows you to study core units in a particular specialisation of engineering along with a mix of advanced technical units, professional units, a research project, a design project and an industry placement.

The following specialisations are available:

- Chemical Engineering
- Civil Engineering
- Electrical and Electronic Engineering
- Environmental Engineering
- Mechanical Engineering
- Mining Engineering
- Software Engineering

Scholarship benefits

This fantastic scholarship opportunity includes:

- Visa application fees
- Tuition fees
- Residential costs at University Hall
- Travel to Perth from Malaysia to commence university, plus an annual return airfare back to Malaysia each year
- Living allowance

Living at University Hall

This scholarship guarantees you a room at University Hall. You'll become part of a diverse community filled with UWA students from all over Australia and the world. The Hall provides a variety of academic, community, sporting and leadership activities to

University Hall – your new home

UWA'S SPECTACULAR RIVERSIDE CAMPUS IS LOCATED JUST **4.8km** FROM PERTH'S CBD

support you through your degree and to build many new friendships.

UniHall is a two minute walk to UWA campus (across the road), the beautiful Matilda Bay, delicious café spots and is only a short bus ride into Perth city and to sunny beaches.

You can study, unwind or spend time with friends in a range of common spaces including the computer room, library, games room, music rooms, group study areas and outdoor courtyards. Many are equipped with lounges, TVs (FOXTEL) and kitchens so you feel right at home. Visit our website for further details unihall.uwa.edu.au

Outstanding location near Perth's CBD

Study in the heart of a city that combines the best of everything for Engineers – fantastic career opportunities via a well-established mining and energy sector as well as a top lifestyle with beautiful beaches, surf culture and a Mediterranean climate. Perth has rapidly expanded and is now ranked as number 8 on the world's best cities list (*The Economist 2015*).

Eligibility

The scholarship will be awarded to a Malaysian school leaver experiencing financial hardship who is accepted into

UWA's Engineering Direct Pathway, to commence in semester 2, 2017. To be eligible applicants must provide:

- Passport or Identification papers
- Your last two school reports
- School Principal endorsement letter
- Proof of financial hardship documents
- Signed application confirmation form
