

PLYMOUTH UNIVERSITY PATHWAY SCHOLARSHIPS AVAILABLE FOR SEPTEMBER 2016

PUIC and Plymouth University are delighted to announce a fresh batch of scholarships for students joining us in September 2016.

WHAT IS IT?

We know that studying abroad is not cheap. We know the kind of expenses involved. That is why we are offering ALL students the chance to get their hands on a £1,500 scholarship. This scheme is available to students beginning the Foundation, First Year or Pre-Masters stage of their chosen Plymouth University degree.

HOW WILL THE SCHOLARSHIP BE APPLIED?

The scholarship amount will be deducted from fees due for the second semester of studies with PUIC. The award will be recorded on the student's account prior to enrolment. Deposit requirements will remain the same.

WHAT ARE THE REQUIREMENTS?

The scholarship will be eligible to all students who wish to apply for it and who make a deposit payment before August 1. Scholarships will be awarded on a first come, first served basis.

Further information on specific requirements and application criteria is available from admissions@puic.plymouth.ac.uk.
