## Too late to make the start of term?

### Don't worry many of our UK programmes have mid-term start dates!

We know that having made the decision to study in the UK and having picked a great **ONCAMPUS** programme it's disappointing to find out you can't make it in time for the start of term. Rather than delay until next term we can now offer you a mid-term start. This means you can:

- Come to the UK
- Get to know your **ONCAMPUS** centre and staff
- Start making new friends
- And most importantly get a head start on your classes!

Starting your classes early and studying for an extra half term will mean your chances of overall success and securing a place on the degree programme you want are much greater.
